# ASEEL BALLAN

**Game Design & Media Informatics Student**

**Address:** Zanderstr. , 14770
Brandenburg an der Havel

**Mobile:** +49 177 6881465

**Email:** aseel6ballan@outlook.com

**LinkedIn:** linkedin.com/in/aseelballan

**Date & Birthplace:** June 1, 2005 | Amman

**Nationality:** Jordanian

## EDUCATION

**Since 09/2026** — **Exchange Semester: Bachelor of Science**
TH Brandenburg, Brandenburg an der Havel, Germany
International exchange semester focusing on advanced modules in Game Design and Media Informatics.

**Since 09/2023** — **Bachelor of Science in Game Design and Media Informatics**
German Jordanian University (GJU), Madaba, Jordan
Core Focus: Visual Programming, 3D Modeling and Animation, Virtual and Augmented Reality
Current GPA: 86%

**2017 – 2023** — **Jordanian High School Certificate (Tawjihi)**
Studied at two schools in Jordan, completing Grades 6–9 at Roaa Alfaroq School and Grades 10–12 at Golden Hills School. Graduated with the General Secondary Education Certificate (Tawjihi) in 2023, achieving an overall average of 89%.

## ACADEMIC PROJECTS

**04/2026** — **3D Game Development Project**
*Unity Engine*
Designed and developed a 3D game project with Unity, applying interactive game design principles, core gameplay mechanics, and seamless user experiences.

**01/2026** — **Educational Flashcards Web Platform**
*HTML5, CSS3, JavaScript (ES6)*
Created an interactive web application featuring digital flashcards to optimize student learning, integrating smooth 3D CSS card flipping animations and highly responsive layouts.

**12/2025** **Augmented Reality (AR) Marketing App**

*Unity & AR Technologies*

Conceptualized and engineered an AR prototype for product advertising, seamlessly integrating interactive digital 3D models into real-world physical environments.

## INTERNSHIP EXPERIENCE

**Jun–Jul 2026** **Tomandora Production**

Completed a one-month internship at Tomandora Production, gaining practical experience in Adobe After Effects and motion graphics. Worked on creating educational videos for an online learning platform, focusing on animation, visual communication, and engaging digital content.

## PERSONAL SKILLS
